

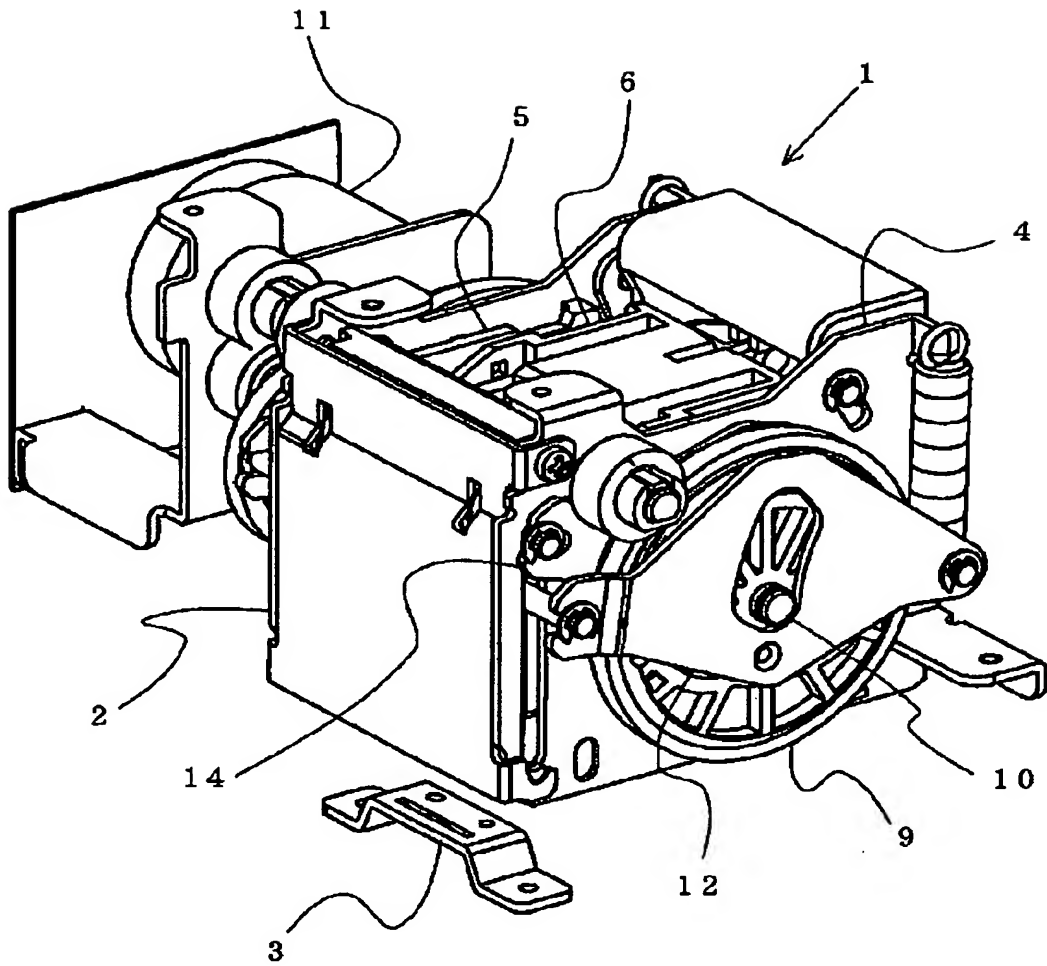

FIG. 1

A detailed technical drawing of a mechanical assembly, likely a pump or valve, shown in a perspective view. The assembly is a complex metal casting with various internal and external features. The components are labeled with numbers 1 through 19:

- 1: Main body casting.
- 2: A small component at the bottom left, possibly a pin or screw.
- 3: A bracket or support at the bottom left.
- 4: A curved component at the top right, possibly a lever or arm.
- 5: A base or support at the bottom right.
- 6: A curved component at the top right, possibly a lever or arm.
- 7: A bracket or support at the bottom left.
- 8: A vertical component on the left side, possibly a guide or support.
- 9: A curved component at the bottom right, possibly a lever or arm.
- 10: A coiled spring on the right side.
- 11: A small component at the top right, possibly a pin or screw.
- 12: A curved component on the right side, possibly a lever or arm.
- 13: A vertical component on the left side, possibly a guide or support.
- 14: A vertical component on the left side, possibly a guide or support.
- 15: A vertical component on the left side, possibly a guide or support.
- 16: A curved component at the bottom right, possibly a lever or arm.
- 17: A curved component at the bottom right, possibly a lever or arm.
- 18: A curved component at the bottom right, possibly a lever or arm.
- 19: A curved component at the bottom right, possibly a lever or arm.
